## FOREWORD

Gathered within these pages are treasured memories of classmates, teachers, activities, and all that has been a part of our school life at Clark High School.

The publication of this annual has been a challenge to us. It has required the co-operation of our sponsors, staff, students, and those who have so generously contributed their support through advertisements. Our thanks go to everyone who has helped us.

We hope this publication will be one of your most cherished possessions.

## PRINCIPAL'S MESSAGE

Graduates and Staff Members of 1965:

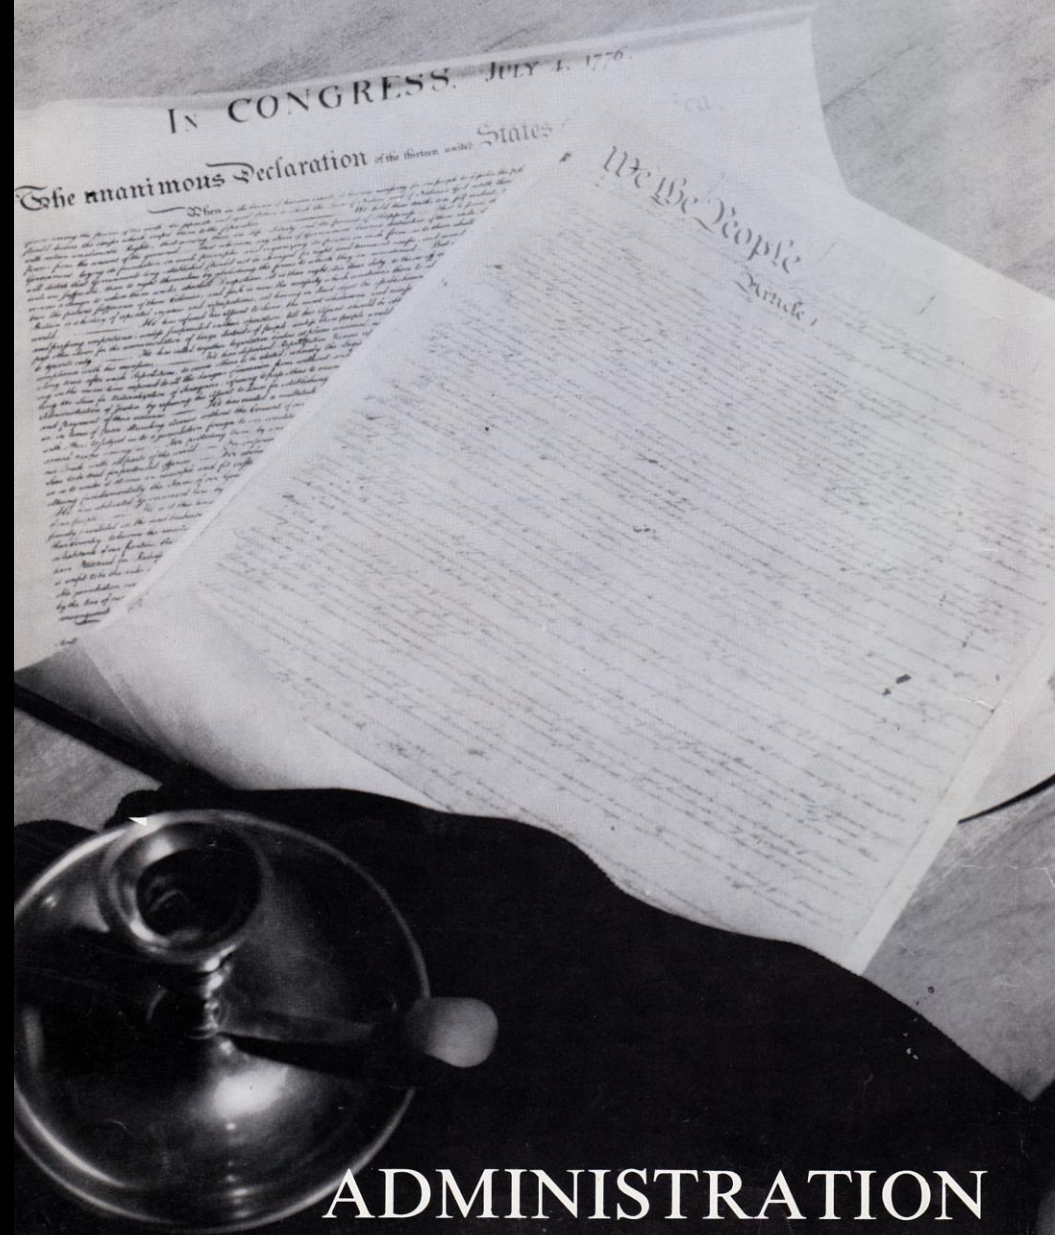

With pleasure I extend my congratulations.

To the graduates I hope that the experience gained in your homes, this institution, and your churches during the past few years will become a beacon light to spiritual values, christian living, and worthy citizenship. Let this be the beginning of your journey to success.

To the staff members you have demonstrated a determination to accomplish the best. May this trait remain with you throughout life. Your school is proud of you.

Sincerely,

*Lawrence Emerson*
